**TERMINAL DISCLAIMER IN APPLICATION**

---

The owner, The Coca-Cola Company, of the entire interest in the above-identified present application hereby disclaims, except as provided below, the terminal part of any patent granted on the present application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application No. 10/664,187 filed on September 17, 2003. The owner hereby agrees that any patent so granted on the present application shall be enforceable only for and during such period that said patent and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the present application and is binding upon the grantee of such patent, its successor or assigns. Statement Under 37 C.F.R. §3.73(b) indicating ownership of present application and the second application by The Coca-Cola Company are submitted herewith.
